

## Lament/Lullaby (Christie's Lullaby)

**C**                    **Dm7**  
Go to sleep my gentle one  
**G7sus**        **G7**        **C**  
Close your eyes the day is done  
**C**                    **C/E**                **F**                    **D/F#**  
The storm has passed your dreams have won  
**Am**                **Em**        **G7sus**    **G7**  
Tomorrow will be golden

Life can be a weary road  
Stop and rest, put down your load  
Morning sun will shine and so  
Tomorrow will be golden
